

Purdy
Group LLC

Leverage for Leaders™

Providing SME consulting and staff expansion support to enable our federal clients' achievement of their goals, objectives, and programmatic outcomes.

Experience

Since 2007, Purdy Group has consistently positioned itself to provide quality services to a wide variety of federal departments and agencies. Through extensive organizational, executive, and operational experiences - Purdy offers a variety of distinct, competitive resources tailored to the functional needs of our clients. Having successfully completed 23 prime contracts, 6 subcontracts, and 12 task orders, our company is dedicated to mission fulfillment in virtually any given task. Purdy Group offers a full-service experience for government contracting officers, contracting specialists, program managers, and/or large businesses ... as well as providing multiple socio-economic credits.

Purdy Prestige

Purdy's quality services offer unique, diverse and competitive solutions providing our customers confidence that they are getting the best deal possible. Purdy Group has guaranteed success by creating a Resume Repository containing over 40,000 "off market" resumes (for example 8,300 TS/SCI/FSP) and an organic Knowledge Management repository containing over 100,000 white papers, templates and draft deliverables. These competitive advantages allow Purdy to operate profitably with an extremely low wrap rates, allowing us to pay top 5% industry salaries to attract and retain the very best employees for our customers' requirements.

Our Services

Consulting

Offering highly cleared management, organizational, and IT consulting services to provide essential insight for navigating complex issues.

Organizational Operations

With significant experience in linguistics, training, logistics, facilities management and more ... our company has what it takes to support the organizational operations of any project or task.

Information Technology

As technology represents an ever-evolving opportunity for organizational growth, we understand how important it is to keep up with relevant changes and updates. Purdy Group seeks to expand technological capabilities for our clients through our extensive services and expertise.

As Founder, President and CEO of Purdy Group, Dr. Frank Purdy provides a wealth of knowledge and leadership gained throughout his 37-year professional career. While working as a Navy Supply Corps Commander, Dr. Purdy gained extensive hands-on experience in logistics, contracting, business and financial management, weapon system acquisition, and installation management support. For many organizations, the balance between quality and cost is often difficult to find, resulting in frequent overspending on crucial projects. With a Masters in Business Administration, Masters in Public Administration, and a Doctorate in Strategic Leadership (focus on innovative cost cutting), Dr. Purdy operates his companies in the most lean and efficient way possible, all while providing superior quality and cost to clients.
